NOTICE ON STUDENT INFORMATION

Every year, the Prosser School District receives requests for student information from individuals or organizations that have legitimate, professional interest in school-age students. Whereas access to student information is strictly limited, Federal law permits a school district to identify certain information as “directory information” which may be publicly released without prior written permissions of parents. Prosser School District identifies this “directory information” as the following: name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and most recent previous school attended. Prosser School District may disclose personally identifiable information from the educational records of an individual who is in attendance at the Prosser School District if that information has been designated as “directory information.” Prosser School District may disclose directory information from the education record of an individual who is no longer in attendance.

The parent(s) or eligible students have the right to refuse to permit the designation of any or all of the categories of personally identifiable information, with respect to that student as “directory information” **provided the Prosser School District has been notified in writing within 15 days of the date of this publication that such personally identifiable information is not to be designated as “directory information” with respect to that student.** Any inquiry of further clarification may be obtained from the Prosser School District upon request.

Prosser School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boys Scouts and other designated youth groups.
