

December 10, 2018 General Meeting

Present: Jani Andrews, Holly Oten, Hilary Frazier, Nicole Nutter, Jodi Wegner, Eunhee HA, Peggy Douglas, and Perla Zepata.

Membership update: Currently we have 47 members.

Polar Express update: Hang flyers to advertise and post on facebook. Holly will volunteer for the 2PM showing, email other members for 2PM showing volunteers. 6PM volunteers will be Nicole and Jani.

Special funding projects: Fish hatchery and release of fish into Yakima River is already something that the 5th grade gets to do. So instead, \$1,000 of funding will go towards Camp Wooten or another outdoor education trip. \$200 was received from Diane Call (current WSPTA Secretary) to go towards a mini-grant applicant that requested materials for an in-class library.

Read-a-thon: Packets have been updated but need to be translated to Spanish. Perla Zepata volunteered to help with the assemblies. Also, Holly and Jodi's husbands may be able to help.

Get-to-know the Superintendent : Change to a family night where children are welcome. Have it in February with cookie decorating and soup. Matt Ellis can speak about current happenings within the school district. Because this will be an activity in February, members decided against doing the HMS Valentine Grams.

UGN board: Looking for new board members. Email ptaprosser@gmail.com if interested.

Teacher Appreciation: Jodi and Perla will help Holly. Perla offered \$300 towards the cause. Also, apply for rotary grant to get more funding.
